Social program: the bus will bring us to [Villa Wolax](#), where our social program will take place. There will be some coffee and snacks upon arrival, after which we've planned an outdoor activity. After this there is some time to relax by going to the sauna and go for a swim (so please do not forget to bring you swimsuits for sauna bathing!).

If you do not want to participate in the social activity and/or go to the sauna, there is also the possibility to go for a nice walk in the beautiful surrounding of Villa Wolax. Around 18:30 h there will be a dinner, following which a bus will bring us back to our accommodation.

Please note that if you decide not to attend the social program at Villa Wolax at all, you have to arrange your own transportation from the Ocusweep factory/Mariachi Kasvattamo back to the s/s Bore (e.g. with Turku city bus: 3 €, [lines 6 and 1](#)). Since the dinner is also at Villa Wolax, this means you have got to [arrange dinner](#) yourself as well.
